

KinderSign – Provider Attendance Summary

Providers can review a summary of the children in attendance.

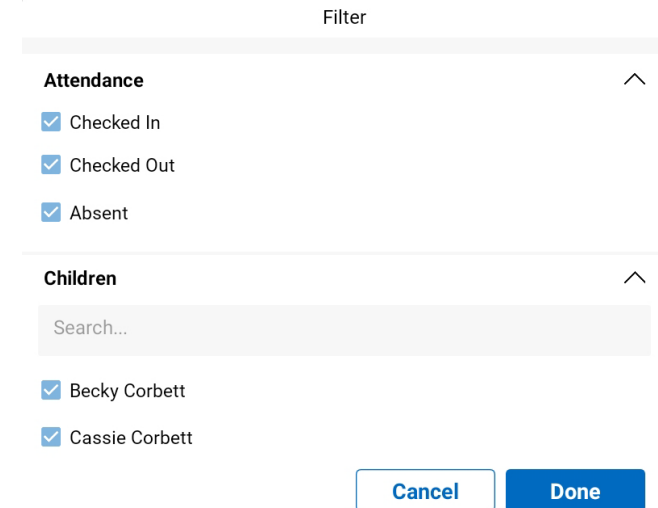

A From the Staff Activities screen, tap **Attendance Summary**.

B You can filter to limit your selection to only see attendance for **Checked In**, **Checked Out** or **Absent** children, or to **Search** and select the names of the specific children whose attendance you would like to see. Tap on the **Filter** button to selections.

Filter

C Tap on the desired checkboxes to **Filter**, then tap **Done**.

D KinderSign displays a list of all children currently matching your selection.
