

## KinderTrack – Audit

**Audit** records display a detailed history of all changes to the currently selected record based on the date the change was made.

- A** Once you have selected the page you would like to work with, Press **Audit**.

- B** A list of changes made to the current record will be displayed.  
The example below is from the Stark family in the **Family > Family** page.  
The information available as the result of an **Audit** can be extensive depending on the changes made to the record.

Audit History:

Effective Date	Family Name	Address 1	Address 2	City	State	Zip Code
05/25/2018	AARON			NEW ORLEANS	LA	70114

- C** Click on **Options** to open and **Select >>** the columns you would like visible in the audit results if the family record is extensive.
