

KinderTrack – Transfer Program Funds

Transfers allow a case to be allocated to another program when a program has reached its threshold.

- A** Press **Payment Transfer** under **Program**.

- B** Select the **To Program** to select where the Funding Stream will be transferred to.

To Program: [Select >>](#)

- C** Search for the **Program** that has the current Funding Stream. Enter the Program's information in all the required fields marked by a **red asterisk (*)** and any other information/notes needed. The search results will be displayed below.

- D** Click on the check box of the Program of the current Funding Stream. You can select individually or in bulk.

- E** Press **Transfer**.

- F** The system automatically shows you a screen to confirm your transfer. Press **OK**.
