

## KinderSmart – Parent/Sponsor Registration

The **Parent/Sponsor**'s smart phone must be registered to use the KinderSmart app.

**A** Open KinderConnect and click **Search** under Sponsor.

**B** Enter the specifics for the **Parent/Sponsor** who will be using KinderSmart and, from the results, click on the **Name**. Note: The **Parent/Sponsor** must exist in KinderConnect prior to KinderSmart registration.

**C** In the Sponsor Detail screen, press **Print KinderSmart Registration Form** to obtain the QR code.

**D** Press **Print** to automatically download and print a document containing the QR code or make it available to the **Parent/Sponsor** on the computer screen.

**E** The **Parent/Sponsor** needs to open the KinderSmart app on the phone, tap **Scan** and either scan the QR code from the computer screen or scan it from a printout of the QR code. To scan, move the QR code into the view of the phone camera so that it can be clearly seen on the phone screen. As soon as the whole QR code is visible to the phone camera, the phone automatically scans the QR code.

**F** After a correct scan, the app will be registered to the **Parent/Sponsor** who receives confirmation that the phone was successfully registered.
